

Join the West River Improvement Association

The **West River Improvement Association** (WRIA) is dedicated to the principle that, by working together, residents of Galesville and the surrounding area can protect and improve the quality of life in the community, including the West River watershed.

The WRIA has:

- Seeded oyster beds in the West River to help improve the water quality – see <http://www.westriveroyster.org/> for more information on this project;
- Renovated the Galesville Hall – a excellent community resource available for rental to WRIA members at reduced cost.
- Worked with the County to redesign and landscape the park/pier on Riverview Drive.

The WRIA will continue to

- Participate in a roadside/riverside trash pickup in the community spring and fall
- Maintain/manage the Galesville Hall and its grounds
- Hold the famous Oyster Dinner every March
- Hold the delicious Spaghetti Dinner every winter
- Hold community parties/square dances and other activities in the Hall

In order to continue with these and other activities in Galesville we need your support! The Hall looks beautiful and the main renovation is complete. However, the kitchen wing was not upgraded during the renovation and is in need of its own beautification. Please join the WRIA and make a tax deductible donation to help us with maintenance of the Hall and our future goals.
